I don't know how the partnering-up will be. Probably most experienced teamed with newbies. :]  
At the meeting Vicky from WPD and Humane from ORC had questions about the well survey, so they may have comments on your revision. I can do the printing here in the office sometime tomorrow, once everything is finalized. Will you be in the office tomorrow? Holiday party?

Can I call 'you' for my partner? I should have the next draft survey for review as soon as my damned LN connects. Do you want me to do the printing of it? I have my portable printer.

Hi David, Alex, Vance, Rich, Ann, Rich and Francisco,

Let's plan to meet Thursday morning up in, or near, Dimock to discuss how we're going to go about this door-to-door outreach. I made reservations at the Comfort Inn in Tunkannock for Thursday night, just in case we need Friday to finish the job. Let's meet for coffee / planning at the Comfort Inn breakfast room at 9:30 a.m. Does that work for everyone? The address and directions from their website is cut/pasted below.

I'm on my way to a 4pm meeting with Ron. Let's hope our outreach materials (fact sheet and well survey) have been approved. Fingers crossed. I'll be in touch as soon as I get the latest update.

THANKS!
